

PRICELIST 2021

PROFESSIONAL EXPORT EUR

All prices are excl. VAT.

This price list is valid for quantities up to 1.000 units of each article number, for requests exceeding 1.000 units, we will be pleased to submit a quotation.

An End User Certificate in original should always follow your order for products classified as war material. These items are clearly marked in the price list with "Export license required".

A draft and instructions how to write an End User Certificate can be obtained upon request.

No orders will be confirmed until End User Certificate has been received by Aimpoint AB.

Order may be cancelled if the Swedish Government rejects the required export license.

Terms of payment:

Advanced Payment, Irrevocable Letter of Credit or open credit after agreement.

20% of invoice value is due immediately after having received the order confirmation and the prepayment invoice.

80% of invoice value is due one week before confirmed delivery date.

If we do not receive the first 20% within 2 weeks after the order has been confirmed, we will cancel the order and inform you about the cancellation.

For Letter of Credit we recommend a minimum order amount of 350.000 SEK.

We apply interest on late payments at 8% above the Swedish reference interest.

Any bank fee or similar charge levied upon the Customer in connection with Customer's payment of any Aimpoint AB/Aimpoint Sweden AB invoice shall be paid by the Customer.

Terms of delivery:

CIP, Incoterms 2020

CIP will be applied, and unless otherwise agreed, the freight cost will be shown separately on the invoice.

Return Policy:

Returned merchandise will not be accepted without prior approval from Aimpoint.

Proof of original purchase is required. Aimpoint reserves the right to charge 20% restocking and handling fee if customer is at fault.

Shipping charges are not refundable.

All prices, terms and conditions of sale are subject to change without notice.
